EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dennis Stenzel on 10/3/2005.

The application has been amended as follows:

IN THE CLAIMS:

Claim 1, line 2, delete, "homeopathic".

Claim 2, line 1, delete, "including" and insert, ---further comprising---

Claim 3, delete, "including" and insert, ---further comprising---

Delete claims 7-10.

Claim 12, line 1, delete, "includes" and insert, ---further comprises---.

Delete claims 15 and 16.

The following is an examiner's statement of reasons for allowance: the claimed invention is neither anticipated nor rendered obvious by the prior art. In the example in the specification, the applicant provides unexpected results by showing that using the claimed composition prevents hangovers. Knowing this and knowing that there is no art of record which teaches the claimed composition makes it allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael V. Meller whose telephone number is 571-272-0967. The examiner can normally be reached on Monday thru Thursday: 9:30am-6:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Bruce Campell can be reached on 571-272-0974. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
